WHO WE ARE
The Catholic Children’s Aid Society of Toronto (CCAS) is one of four child welfare agencies in Toronto, and one of the largest in Canada. As a non-profit organization operating under the legislative mandate of the Ontario Government’s Child and Family Services Act, we are funded by the Ministry of Children and Youth Services. Serving a diverse clientele for over 110 years, we’re at the forefront of progressive child welfare reform.

COMMUNITY AND SPIRITUAL CARE
CCAS, on behalf of the Catholic community, is committed to providing quality social services that protect children and strengthen family life. We are sensitive to the needs of our clientele and respect their entitlement to spiritual and religious care.

WE VALUE
» Human Dignity
» The Courage and Integrity to Take a Stand
» Partnership and Teamwork
» Cultural, Racial and Individual Differences
» Professional Excellence

WHO WE SERVE
We serve Catholic children up to the age of 16 and support an average of 20,500 children and 7,800 families a year. Almost 1,700 of these children are cared for annually in our foster homes, group homes, and independence homes. Because of the diversity of our clientele, cultural sensitivity is vital to the success of our services.

WHAT WE OFFER CLIENTS
We provide child protection services, adoption, family counselling, and parent support programs in 47 languages. The identity of the families and children we serve is strictly confidential.

WHO OUR WORKERS ARE
Our staff of over 550 includes highly qualified workers (experienced in mental health, domestic violence, shelter work, and home visits), child/youth workers, lawyers, other professionals, and support staff. We also have approximately 190 foster homes and some 360 volunteers who provide services to our children and families.

WHAT WE OFFER EMPLOYEES
CCAS staff have the unique opportunity to explore the entire spectrum of social work within diverse settings. They also receive the benefit of on-the-job and competency-based training on an ongoing basis. Our commitment to staff wellness is supported through our competitive and comprehensive benefit packages. By working in such a rewarding and supportive environment, our highly motivated staff are able to truly make a difference in the lives of our clients. Therefore, it’s no surprise that for several years in a row CCAS has been selected as one of Canada’s Top 100 Employers by McLeans Magazine, Top 10 Family Friendly Employer by Today’s Parent, Greater Toronto’s Top 50 Employers by the Toronto Star, and CARP’s Best Employer for 50-Plus Canadians.
